

FAST HORSES AT CALDER'S RACES.

Red Cross Nurse Surprises Bookies
By Brilliant Finish in
Last Event.

FINE PROGRAM FOR TODAY.

Only Small Crowd Turned Out, but
Excellent Races May Bring More
For Rest of Meet.

This afternoon at Calder's Park the second day of a great four day race meet is being held. The entries include some fast horses, and judging by the race put out yesterday, a splendid showing should be made.

The meet yesterday brought out fighting for place that was of the first order, and while it was witnessed by only a few people, it is thought that if there is any combination of events that will bring a crowd to a race meet in Salt Lake, the present is the one and that either the people absolutely do not want horse racing or will fill in benches for the rest of the meet.

The three-quarter mile dash, which was the last race of the day was the best, and the favorite, Lee Angelino went down badly, setting only third place, with Red Cross Nurse and Cash Day leading him in the last race. The race was a bad start in this race the neck-and-neck run for half around the track between Cash Day and Red Cross Nurse, brought out the applause of the day.

At the crack of the horse of the Ryan stables got away bad and then put up a splendid run, crowding the winners on the stretch till they won only by a nose in the third event.

THE SUMMARY.

BROKE STATE RECORD.

Hardy Downing Clipped Time Off Record For Motor-Paced Mile.

Hardy Downing secured first place in the hearts of the saucer fans Friday night by crowding Samuelson who in the early part of the race, pumped up a speed that scared the back bunch and he was backed, promised to land him ahead of Samuelson, who finally took first place.

The three-quarter mile amateur developed the usual supply of saucerhousers who rode the scratch men off their feet and caught the public eye as coming favorites. McKenzie led last night in favor, and unless, like so many of his kind, training takes the natural sprint out of him, he will soon be good for a place in the record makers.

WILL DESERT SINGLES.

"Captain" Clarence Nielsen to Play Ball in Double Harass.

Baseball is accountable for much more than it is sometimes given credit for, and also is sometimes more far reaching in its influence. A game of small importance, except to the players, and to the Captain of the Single Men's team was that of Deseret News day at Laguna. Clarence Nielsen managed the single men and when he saw how run after run came home to the final plate on the other side, with error following error, he declared his intention to desert as soon as he could get the lady.

My Life

Hung On a Single Thread With Heart Disease.

You should never wait until your life hangs in the balance before you give the necessary aid to your sick heart.

A weak heart is always serious, for it affects every organ of your body through its inability to purify and keep the system supplied with pure, rich, life-giving blood.

Any indication of heart trouble, such as shortness of breath after exercise, redness of face, hot flushes, oppressed feeling in chest, weak, lumpy spells, palpitation, dizziness, sudden starting in sleep, irregular pulse, is serious, and should be cured at once.

The safest and surest treatment is Dr. Miles Heart Cure, a nerve and muscle builder, a blood tonic. It acts directly on the heart nerves and muscles, giving them strength and vigor, and relieves every symptom of a sick heart.

Your life depends upon your heart, and a weak, diseased heart, like a single thread, can endure but little.

"I suffered for years with my heart. At times my life hung by a single thread. A number of physicians and an eminent specialist treated me. Without the knowledge of my doctor I took Dr. Miles Heart Cure. It lifted the pain from my heart, and caused a free circulation of blood. I am now able to attend to my affairs, something I had never hoped to do again."—J. J. JONES, 1012 E. 13th St., Cleveland, Ohio.

to say the word. According to the society column tonight, he has succeeded, and has been christened by his fellows in the matter of baseball scores, "His Grace, the Duke de Clarence."

The outlook now is in this one slight hitch of the baseball world, that great or ignominious and more overwhelming defeat await the hand which Captain Clarence deserted in the hour of sore defeat.

CRICKET GAMES.
Large Crowd Seen Beginning of Match at Staten Island.

New York, Aug. 4.—There was an unusually large gathering of spectators at the Staten Island Cricket club's grounds at Livingston today, when the international match between an eleven from the Marylebone Cricket club of England and a picked eleven from the Metropolitan District league of New York was begun. Each side completed its first inning, the local men scoring 96, one more than the British players.

The visitors began their second inning a little before 6 o'clock, but lost their first wicket for 7 runs. The feature of the day was the closeness of the total scores.

The bowling of the local men was excellent and, despite the fact that Kelly and Worm were injured during the early part of the contest, the Englishmen were pushed to the top of their game.

BEAT HIF.
Jimmy Gardner Busted Rufe Turner at Colma in Hard Fight.

Colma, Cal., Aug. 4.—The largest crowd by far in the history of the Golden State Athletic association crowded the pavilion here this evening to witness the scheduled twenty-five-round contest between Jimmy Gardner and Rufe Turner. Gardner won the fight in the first three seconds of the eleventh round with a terrific right to the body. Turner showed to the better advantage in the first two rounds only. After that the fight was all Gardner's. In the fourth round he made Turner look like a novice. Turner took a brace in the seventh round and practically evened matters, but it was only temporarily. All during the fight Gardner displayed remarkable cleverness in ducking and blocking. Turner was unable to reach him with any effective blows. At the conclusion of the tenth round Turner went to the floor after receiving several hard rights to the body, and was saved by the time being only by the bell. When the bell tapped for the eleventh round Gardner came up groggy and Gardner rushed over to Turner's corner and aided matters with a terrific right to the head. There was a considerably roughing all through the ten rounds.

"PENNY" GOSSIP.
Intermountain tennis, or such part of it as centers in Salt Lake is going to pin its faith on Brown and Badger, as a top notch combination. They put Conrad

and McLeod to second place yesterday afternoon, after the latter team had outscored Dinwodey and Edwards.

Reuben Hunt, the Pacific coast tennis champion, and Sam Neal, a former U. S. champion, are expected here for the coming tournament, according to information received by Dorsey Ash, secretary of the Intermountain association.

"Lassome Bob" is now described as "Happy Fitz" by those who have seen him with his new bride in tow. The male arrived from Paris on the st. Paul Thursday, and had instead of the lion of Lagoon fame a pair of French poodles with them. Maybe when Bob ran away from Salt Lake, it was loneliness and not Mike Schreck that caused the sudden exit.

San Johnson and Henry Clay Pullman are said to be acceding by knowing ones, for a place in the rain in next year's baseball plans. They will be eliminated from their places as presidents of the American and National leagues, and a new twelve club league will be formed, with power to license baseball players, and control of the game by a board of directors instead of the present annual meeting plan.

Movement to Celebrate 200th Anniversary of His Birth.
New York, Aug. 5.—A movement having for its object an adequate commemoration in this city of the two hundredth anniversary of the birth of Benjamin Franklin next January has been inaugurated among various societies of New York.

The initial steps were taken by the Pennsylvania society a few days ago. A preliminary conference followed, attended by representatives of a number of organizations and much interest was shown in the proposition. It is believed that the commemoration will take the form of a great public meeting, together with an exhibition of Franklin books, portraits and such personal relics as may be preserved in New York.

Russell Sage's Birthday.
New York, Aug. 4.—Russell Sage celebrated his eighty-ninth birthday today by remaining away from his office, spending the day quietly at his country home in Long Island. It is said to be the first occasion on which the aged financier has voluntarily absented himself from his office on his birthday.

Mr. Sage was said today to be in excellent health, and no explanation was offered for his departure from his usual custom.
